INTERGOVERNMENTAL AGREEMENT
BETWEEN
THE STATE OF ARIZONA
AND
THE CITY OF CHANDLER

THIS AGREEMENT is entered into 10 March, 1998⁹,
pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between
the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION
(the "State") and the CITY OF CHANDLER acting by and through its MAYOR and CITY
COUNCIL (the "City").

I. RECITALS

1. The State is empowered by Arizona Revised Statutes Section 28-401 and 28-334 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.

2. The City is empowered by Arizona Revised Statutes Section 48-572 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the City.

3. Congress has authorized appropriations for, but not limited to, the design of streets and primary, feeder and farm-to-market roads; the replacement of bridges; the elimination of roadside obstacles; and the application of pavement markings.

4. Such project within the boundary of the City has been selected by the City and has been submitted to the Federal Highway Administration ("FHWA") for approval.

5. The only interest of the State in the project is in the acquisition of federal funds for the use and benefit of the City by reason of federal law and regulations under which funds for the project are authorized to be expended.

6. The work embraced by this agreement and the estimated project costs are as follows: Preliminary Engineering for Bike Path and Bike Lane Project.

Estimated Design Cost	\$ 70,000.00
Federal Aid Funds @ 94.3%	\$ 66,010.00
Chandler City Funds @ 5.7%	\$ 3,990.00

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

II. SCOPE OF WORK

1. The cost of the analysis and design work covered by this agreement is to be borne by FHWA and the City, each in the proportion prescribed and determined by FHWA.

2. Therefore, the City agrees to set aside funds in an amount equal to the difference between the total cost of the work provided for in this agreement and the amount of federal aid received.

3. The State will reimburse the City with federal funds for design work addressed under this agreement at 94.3% of the project cost.

4. The City will provide any required preliminary engineering and planning studies, the environmental analysis and design of the project. As required by the FHWA, the State will provide design review of the project plans, studies and related documents, and when appropriate provide comments which will be incorporated into the design documents.

5. The City may request the State, as authorized agent for the City, and all at City expense, to perform certain work and prepare certain documents required by the Federal Highway Administration to qualify certain highway, bridge and railroad grade crossing projects for and to receive Federal funds. Such work may consist of, but is not specifically limited to, the review and approval of the City prepared environmental documents, the preparation of the analysis requirements for documentation of environmental categorical exclusion determinations; review of reports, design plans, maps, and specifications; geologic materials testing and analysis; right-of-way related activities (when specifically authorized by, for and on behalf of the City, and at no cost to the State) and such other related tasks essential to the achievement of the objectives of this agreement.

6. Should some unforeseen conditions or circumstances increase the cost of said work required, by a change in the extent or scope of the work called for in this agreement, the State shall not be obligated to incur any expenditure in the project.

III. MISCELLANEOUS PROVISIONS

1. The State assumes no financial obligation or liability under this agreement. The City assumes full responsibility for the design, plans and specifications, reports, the engineering in connection therewith, cost over-runs and claims. It is understood and agreed that the State's participation is confined solely to securing federal aid; that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the City and that the City hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the City, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, expenses of litigation or attorneys' fees.

2. This agreement shall remain in force and effect until completion of the work and related deposits or reimbursements.

3. This agreement shall become effective upon filing with the Secretary of State.

4. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

5. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

6. In the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518.

7. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:
